Vegan Chef  
Gabriele Bonomi

## INGREDIENTS:

100g strawberries  
50g soy cream  
1 tbsp brown sugar or  
other sweetener  
2 tps cornstarch  
some soy milk or  
strawberry juice

## DIRECTION:

Blend the strawberries with the cream.  
Add the soy milk you need to obtain a batter.

Add sugar and cornstarch. When it is smooth and without lumps, put  
on the heat and continue stirring until the cream thickens.

For a stronger strawberry flavor you can substitute part of the milk  
with strawberry juice.
